

Federal State Budgetary Educational Institution of Higher Education
“Penza State Technological University”

Code of specialty	Name of specialty	Form of education	Language of study	Tuition fee per year in 2020-2021 (in rubles)
Vocational training courses (secondary level)				
09.02.01	Computer systems and complexes	Full-time	Russian	58478
09.02.02	Computer networks	Full-time	Russian	58478
15.02.07	Automation of technological processes and producing operations (within a particular field)	Full-time	Russian	58478
18.02.09	Oil and gas processing	Full-time	Russian	58478
19.02.01	Biochemical production	Full-time	Russian	58478
19.02.03	Production technologies of bread, pastry and pasta	Full-time	Russian	58478
19.02.05	Technologies of fermentation industry and wine production	Full-time	Russian	58478
19.02.08	Production technologies of meat and meat products	Full-time	Russian	58478
27.02.02	Technical regulation and quality management	Full-time	Russian	58478
38.02.04	Commerce (within a particular field)	Full-time	Russian	58478
38.02.04	Commerce (within a particular field)	Extramural	Russian	20016
Bachelor level				
09.03.01	Information science and computer engineering	Full-time	Russian English	132068 191500
09.03.02	Information systems and technologies	Full-time	Russian	132068
09.03.03	Applied information science	Full-time	Russian	132068
09.03.04	Software engineering	Full-time	Russian	132068
12.03.04	Biotechnical systems and technologies	Full-time	Russian	132068
15.03.04	Automation of technological processes and producing operations	Full-time	Russian	132068
15.03.05	Engineering support of machinery productions	Full-time	Russian	132068
18.03.02	Energy and resource-saving processes in chemical technology, chemistry and biotechnology	Full-time	Russian English	132068 191500
19.03.01	Biotechnology	Full-time	Russian	132068
19.03.04	Technology of food production and organization of public catering	Full-time	Russian	132068
20.03.01	Technosphere safety and security	Full-time	Russian	132068

27.03.02	Quality management	Full-time	Russian	132068
38.03.01	Economics	Full-time	Russian	113376
38.03.02	Management	Full-time	Russian	113376
38.03.05	Business informatics	Full-time	Russian	113376
43.03.01	Service	Full-time	Russian	113376
44.03.04	Professional education (within a particular field)	Full-time	Russian	113376
45.03.03	Fundamental and applied linguistics	Full-time	Russian	113376
09.03.03	Applied information science	Part-time	Russian	38920
15.03.05	Engineering support of machinery productions	Part-time	Russian	38920
38.03.01	Economics	Part-time	Russian	38920
38.03.02	Management	Part-time	Russian	38920
38.03.05	Business informatics	Part-time	Russian	38920
43.03.01	Service	Part-time	Russian	38920
44.03.04	Professional education (within a particular field)	Part-time	Russian	38920
45.03.03	Fundamental and applied linguistics	Part-time	Russian	38920
09.03.01	Information science and computer engineering	Extramural	Russian	36140
09.03.02	Information systems and technologies	Extramural	Russian	36140
09.03.03	Applied information science	Extramural	Russian	36140
12.03.04	Biotechnical systems and technologies	Extramural	Russian	36140
15.03.04	Automation of technological processes and producing operations	Extramural	Russian	36140
15.03.05	Engineering support of machinery productions	Extramural	Russian	36140
18.03.02	Energy and resource-saving processes in chemical technology, chemistry and biotechnology	Extramural	Russian	36140
19.03.01	Biotechnology	Extramural	Russian	36140
19.03.02	Food products form vegetable raw materials	Extramural	Russian	36140
19.03.04	Technology of food production and organization of public catering	Extramural	Russian	36140
27.03.02	Quality management	Extramural	Russian	36140
38.03.01	Economics	Extramural	Russian	36140
38.03.02	Management	Extramural	Russian	36140
38.03.05	Business informatics	Extramural	Russian	36140
43.03.01	Service	Extramural	Russian	36140
44.03.04	Professional education (within a particular field)	Extramural	Russian	36140
Магистратура				
09.04.01	Information science and computer engineering	Full-time	Russian	140054

09.04.02	Information systems and technologies	Full-time	Russian	140054
09.04.03	Applied information science	Full-time	Russian	140054
09.04.04	Software engineering	Full-time	Russian	140054
12.04.04	Biotechnical systems and technologies	Full-time	Russian	140054
15.04.04	Automation of technological processes and producing operations	Full-time	Russian	140054
15.04.05	Engineering support of machinery productions	Full-time	Russian	140054
19.04.01	Biotechnology	Full-time	Russian	140054
19.04.04	Technology of food production and organization of public catering	Full-time	Russian	140054
20.04.01	Technosphere safety and security	Full-time	Russian	140054
27.04.02	Quality management	Full-time	Russian	140054
44.04.04	Professional education (within a particular field)	Full-time	Russian	121015
09.04.01	Information science and computer engineering	Extramural	Russian	38920
09.04.02	Information systems and technologies	Extramural	Russian	38920
09.04.03	Applied information science	Extramural	Russian	38920
15.04.04	Automation of technological processes and producing operations	Extramural	Russian	38920
15.04.05	Engineering support of machinery productions	Extramural	Russian	38920
19.04.01	Biotechnology	Extramural	Russian	38920
19.04.04	Technology of food production and organization of public catering	Extramural	Russian	38920
27.04.02	Quality management	Extramural	Russian	38920
38.04.01	Economics	Extramural	Russian	36696
44.04.04	Professional education (within a particular field)	Extramural	Russian	36696
Specialist level				
09.05.01	Application and maintenance service of automated systems for special purposes	Full-time	Russian	132068
Post-graduate level				
05.06.01	Earth sciences	Full-time	Russian	151232
09.06.01	Information science and computer engineering	Full-time	Russian	151232
15.06.01	Machine-building	Full-time	Russian	151232
19.06.01	Industrial ecology and biotechnologies	Full-time	Russian	151232
38.06.01	Economics	Full-time	Russian	142336
44.06.01	Education and pedagogical science	Full-time	Russian	142336
05.06.01	Earth sciences	Extramural	Russian	61160
09.06.01	Information science and computer engineering	Extramural	Russian	61160
15.06.01	Machine-building	Extramural	Russian	61160

19.06.01	Machine-building	Extramural	Russian	61160
38.06.01	Economics	Extramural	Russian	55600
44.06.01	Education and pedagogical science	Extramural	Russian	55600

For prospective students:

Penza State Technological University

Postal address: 440039 Russia, Penza, pr. Baidukova / ul. Gagarina, 1a/11, office 220.

Phone: +7 (8412) 20-42-41

Foreign citizens wishing to become PenzGTU students are to send scans of the following documents to omo.penzgtu@gmail.com:

1. Passport (first page);
2. Educational Certificate(s);
3. Translation of their passport into Russian;
4. Notarized translation of their Educational Certificate(s) into Russian.
